IMPROVE CUSTOMER COMMUNICATION WITH OUTPUT MANAGEMENT FOR XA

EFFICIENCY FOR FORMS AND OUTPUT MANAGEMENT

- So many buried costs in managing paper
- Paper and forms
- Printers and ink
- Administrative time, buying, printing, mailing, filing, retrieving forms
- File cabinets, floor space, maintenance
- Missing and losing data
- Processing EFFICIENCY removes ALL these costs
- Drop your logo in the pre-defined form and go

COMPLETE INTEGRATION

- XA ERP
- Document Management
- Workflow
- Your PC Network

Guide's FormPack made our InterForm implementation a turnkey project. Automation of communication to customers and vendors speeds up our responsiveness and saves time.

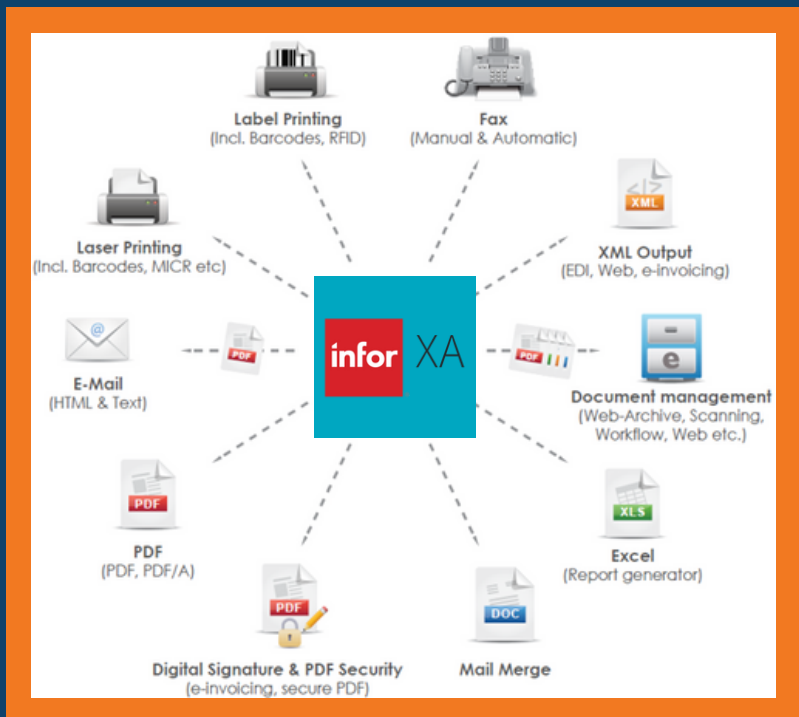

Dan, Hartzell Propeller

infor

- Bar code labels
- Emails
- PDFs
- Excel
- Document management

InterForm with Guide Technologies' FormPack installed in days. Huge efficiencies in administrative support, elimination of manual printing, automatic e-mails, no more paper filing. This will save tens of thousands of dollars every year!
